

Specialists in Engineering Solutions for the Recycling and Material Handling Sectors

The Anaconda TD Range of Mobile Tracked Trommel Screens are Heavy Duty Cylindrical Screens that have been designed specifically for exceptional results in testing scenarios.

The **TD516R** is the smaller of our Trommel Screen Range. Fully equipped with a 5.15M X 1.37M Screening Drum. The **TD516R** also has 2 stockpiling conveyors meaning this powerful screen is capable of dealing with any application in which it may be placed in. Adaptability of managing tonnages of up to 150TPH shows the **TD516R** is more than capable.

The **TD516R** can be shipped worldwide and has become widely recognised in the market. Set up is simple and the machine can be running within 20 minutes of delivery. Commissioning is aided with the hydraulic controls to position and guide all the Conveyors and Drum.

Anaconda stock a full range of spare parts as a display of our commitment to provide a dedicated and responsive service to all our customers.
