

## Specialists in Engineering Solutions for the Recycling and Material Handling Sectors

The Anaconda Range of Mobile Tracked **Impact** Crushers are designed specifically to suit applications where the toughest demands of crushing are of imperative importance with their immense power, reliability and productivity.

The **I12R** Impact Crusher is an aggressive and powerful mobile Impact Crusher, Boasting the proven ability of the Universal Crushers Impact Chamber 1090mm x 1040mm (43" x 45") within an innovative Anaconda Tracked Solution. The **I12R** utilizes an extremely fuel efficient and powerful **Hydraulic System** which allows the machine to provide excellent levels of productivity in applications such as Recycling, Contracting, Mining and Quarrying.

The integrated after screen system on the **I12R** has a high energy double deck after screen. This ensures the required product specification is achieved with oversize material either being recirculated back into the Universal Crushers Chamber or stockpiled.

The physical size, quick set up time, user friendly controls and ease of transport makes the **I12R** the perfect crushing solution for any application. Additionally, with the ability to handle big tonnages this crushing giant is sure to make light work of the toughest scenarios.

## SPECIFICATIONS AND TECHNICAL DETAILS

### Features

- Universal Crushers Impact Chamber (43" x 45")
- Direct hydraulic drive Rotating case (535cc Motor)
- Impact speed range (500–650 RPM)
- After screen (Double Deck)
- Recirculation auxiliary conveyor
- Hydraulically folding Hopper Wing-plates
- Hopper Max Capacity 6.5m<sup>3</sup> (8.5yds<sup>3</sup>)
- Variable Speed on discharge conveyors
- Overband Magnet (Dual side discharge)
- Step deck vibrating grizzly feeder

### Engine Options

- Cummins IPU – Tier 2 – (283Kw)

### Weight

- 44,000 KG

### Options

- Recirculation Screen decks: Mesh or piano wire
- Dust covers on main and discharge belts
- Radio remote control
- Belt Scale
- Cold weather package
- Light Mast and Cabinet lights
- Vibrating pan feeder

## WORKING DIMENSIONS

Anaconda sell and distribute our entire product portfolio via a Dealer Network,  
For your nearest dealer please contact us or visit our website.

Anaconda reserves the right to make changes to design without reservation and without notification.
