## VACUUM TRUCKS

**Available in 6000L & 8000L**

For larger projects, STG's 6000-8000Lt Vacuum Trucks provide increased capacity and flexibility, ideal for various site locations and demanding tasks. Available in 6x4, 8x4, and 10x4 configurations, they excel in non-destructive digging, drilling, mud recovery, and pipeline locating. With optional drain cleaning attachments to create jetter combos, these trucks are designed to protect underground services and feature a no-rust guarantee for lasting durability.

### COMPATIBILITY:

6x4, 8x4, 10x4
