# WHO WE ARE

[everythingfleet.com.au](https://everythingfleet.com.au)

## AUSTRALIAN OWNED AND OPERATED

**Everything Fleet** is an independently owned and operated Australian company, supplying specialised vehicle solutions for industries private and public. Our vehicle solutions span subscription, leasing, and rental hire.

Our company is the driving wheels behind corporate clients within the mining, oil, gas, and civil construction industries, as well as to events, sports, music and film and far reaching projects across Local, State and Federal Governments.

## WE UNDERSTAND FLEET NEEDS

From cars to utes, 4WDs, vans, buses and trucks we have the vehicle to suit your requirements.

Our experienced, highly skilled team caters to your specific needs, with an uncompromising dedication to overseeing every detail of service.

# WHAT WE DO

[everythingfleet.com.au](http://everythingfleet.com.au)

## **DELIVERING SPECIALISED VEHICLE SOLUTIONS FOR OVER 30 YEARS.**

Formerly, the second largest Thrifty Car Rentals franchisee in Australia, we have built a company that prides itself on possessing the capability of a big corporation with the versatility of a small family-feel business. Our reputation of being a trusted and accountable transportation provider, speaks for itself.

Starting in the industry over 30 years ago, we deliver specialized vehicle solutions around Australia, under all kinds of conditions and for a large array of industries, both private and public.

We operate one of the most extensive ranges of fleet in the industry encompassing passenger vehicles, utes, vans, trucks, buses, 4WDs and specialty vehicles (i.e. crane, service and water trucks).

## **WE OFFER VALUE AND A SEAMLESS WORRY-FREE SERVICE.**

With extensive experience working with a range of clients, we understand safety and customize our vehicles to comply with fit-for-purpose, site-specific requirements.

## VEHICLE TYPES AND CUSTOMISATIONS AT COMPETITIVE RATES.

Whether you need a vehicle to cover a temporary shortfall in your fleet capacity or a longer term addition to your fleet, we have the experience to find the right vehicle solution you need to grow your business. We mobilize vehicles throughout Australia and to remote locations and worksites.

The age of our fleet ensures you are always driving highly presentable new models, with up-to-date safety and convenience features. Our passenger vehicles are the newest available and are held on average for around 6 months. Our light commercial vehicles are held on average for no longer than 12 months. Our vehicles will always have low kilometres.

Being an independently owned and operated Australian company, our clients can rest easy knowing they have the best fleet management people in the industry by their side.

## OUR COMMITMENT

We believe as an independently owned and operated Australia company, we have a greater responsibility to acknowledge and respect everyone's story, irrespective of their cultural heritage.

The development of our RAP aligns with our overarching commitment to building our business around integrity, honesty and respect. We believe the RAP framework provides us with a construct to come together, to share and acknowledge our history and celebrate our differences so we can move forward together, toward a more equitable and reconciled Australia.

When you do business with **Everything Fleet**, you are not only engaging in a premier fleet and vehicle solutions company, but you are also assisting us to drive reconciliation through awareness and action in an authentic, considerate and thoughtful way.
