Company Overview

Terra Terrain Solutions (TTS) is a proudly Western Australian-owned business specialising exclusively in the **hire of Utility Terrain Vehicles (UTVs) with trailers**. Our mission is to deliver dependable, site-ready UTV solutions that keep operations moving safely and efficiently across the **mining, agriculture, and civil construction** sectors. With a strong focus on reliability, compliance, and service excellence, TTS is your trusted partner for all-terrain mobility.

Core Capabilities

Specialist UTV & Trailer Hire

- A modern fleet of high-performance UTVs (side-by-sides) built for rugged Australian conditions.
- All hires include matching trailers for safe and compliant transport.
- A range of configurations available: 2-seater, 3-seater, enclosed cab, and open cab models.
- Fully equipped with safety gear including ROPS, beacon lights, run flat tyres, fire extinguishers, first aid kits, 3M tape, mine bar, radio, safety flag.
- Vehicles undergo strict maintenance and safety checks before every hire.

Industry Applications

- **Mining & Exploration:** Ideal for sampling and drilling campaigns, tight access, underground mining, personnel transport, site inspections, and emergency access. Suits both green and brownfields work.
- **Agriculture:** Suitable for property maintenance, fencing, irrigation work, and stock management.
- **Civil Construction:** Perfect for crew mobility, material transport, and remote site access.
- **Events:** Great for tight access, towing small trailers, surf life saving, remote/challenging event work.

Flexible Hire Solutions

- Short-term, long-term, and project-based hire options.
- Fast, reliable, Western Australia-wide delivery and pickup.
- Ability to custom-fit UTVs with accessories to meet specific operational or compliance needs.
- Dedicated support to minimise downtime in the field.

Safety & Compliance

- All UTVs meet or exceed relevant **Australian safety and site compliance standards**.
 - Comprehensive **pre-hire inspection reports** and service logs provided.
 - Optional **operator training and safety briefings** available to support onsite use.
-

Industries We Serve

TTS proudly supports clients across Australia in a range of sectors, including:

- **Mining operators** (exploration, development & production)
 - **Agricultural producers** and rural property managers
 - **Civil construction firms** and infrastructure contractors
 - **Forestry** and government
 - **Events** and crowd management
-

Why Choose TTS?

- **✓ Specialist Provider** – 100% focused on UTV and trailer hire.
 - **✓ Site-Ready Equipment** – Fully compliant, well-maintained, and fit for purpose.
 - **✓ Flexible Solutions** – Hire terms tailored to your project scope and duration.
 - **✓ Responsive Service** – Fast, dependable support when and where you need it.
